LETTER DATED 22 JULY 1997 FROM THE PERMANENT REPRESENTATIVE OF IRAQ TO THE UNITED NATIONS ADDRESSED TO THE SECRETARY-GENERAL

On instructions from my Government, I have the honour to inform you that violations of Iraq's airspace by United States aircraft continued over the period 1 to 15 July 1997 and that the aircraft in question carried out reconnaissance and engaged in acts of provocation, as set forth in the annex hereto.

You are requested to intervene with a view to bringing a halt to actions that, as flagrant violations of the Charter of the United Nations and the provisions of international law, pose a threat to the sovereignty and territorial integrity of the Republic of Iraq.

These actions continue to alarm the civilian population and to cause serious damage to private and public property. The Republic of Iraq affirms its right to seek legal compensation for the damage being inflicted on the Iraqi people and the Iraqi State by these actions.

I should be grateful if you would have this letter and its annex circulated as a document of the Security Council.
